Century Club

Play more golf at Scott Lake Golf & Practice Center for the 2016 season for less money. Our Century Club program gives you an opportunity to play a lot of golf without breaking your golf budget.

What is the story? For years, people have talked to us about the price of golf and that they would like the opportunity to play more golf at Scott Lake for less money. This is one of the plans that fulfills that request and the more you play the less expensive it becomes. This plan works great if you love Scott Lake.

Here is the math.

If you are a senior golfer age 60,our current senior rate is $25 for 18 with a cart. If you are a Century Club Golfer, you pay $140.00 up front and then pay a cart fee of $14 for 18 holes. At 13 rounds, you are at break even $24.77 per round. At 20 rounds you are averaging $21.00 per round and at 30 rounds your average cost is $18.67 per round. We are open from April thru November usually, a total of 34 weeks, plenty of time for lots of golf. If you are a under the age of 60 your savings are even greater.

What a "Limited Amount" offer truly means… and why you should hurry! You have read the offer and we only sell 125 of these programs. You realize how special this offer is and why you should signup now if you want to take advantage of it.

There is a signup form for you and you can copy it for the people you play golf with as we don't want to leave them out! You can play with anybody, but you will pay the Century Club rate.

Best Regards,

P.S. We have heard the comment "than I would have to play more golf at Scott Lake and I couldn't play at other places". I always respond with a) "what is wrong with playing at Scott Lake? Do you realize that since 1996 we have expanded to 27 holes by building 14 new holes of golf, added a new practice center and have continually worked at upgrading the course? We are currently building a 6-hole Par 3 course. Can you tell me what other course has done that?" b) this program is designed to take care of our regular customers, create new regular customers and gives us a chance to know them by name c) with 34 weeks of golf, there is ample time to play lots of golf at other West Michigan golf courses.

P.S.S. Handicap service is included and we will be publishing a Century Club List for golfers looking for playing partners
