

2019 Golfer's Club for Family and Friends

Scott Lake Golf & Practice Center has long been the place "Where Golf is Fun!" We continually look for ways to create more fun while playing golf.

There are a lot of things that go on at Scott Lake that an annual pass holder should take advantage of during the season:

- Lots of golf! Play on the weekend, play on holidays, play after work. Play 9 holes, play 18 holes, play 6 holes, your golf is paid for.
- Play in the Friday 2-Person Scramble. As a pass holder you save \$13 off the open rate of \$43.00.
- Play in Scott Lake Tour Events. As a pass holder you get a special rate that is always less than the open rate.
- Play in the new Glow Golf events in 2019 at a special rate.
- Register for the Recreational Handicap service with the phone app.
- Buy a range pass at special pricing.
- Play in our Charity Challenge Events at a special rate.

If you like to play golf then the Scott Lake Golfers Club for Family and Friends is the right program for you. If you have friends and family that would play with you, join as a group and save some money.

By forming a group of TWO OR MORE there is some savings involved. If you are a golfing couple, find another couple or two and create your own group of four, six or eight. Here are two examples:

Couple A which would join and pay \$1300 for two players forms a group with couple B and their group is now four players for a fee of \$2400 or \$600.00 a piece.

Single player A would join and pay \$675 for one player forms a group with two other single players and is now a group of three for \$1800 or \$600.00 a piece.

You can use multiple forms of payment but all players in a group must be paid together at one time.

Add your children to any group for \$100 per child under the age of 18.

The Staff at Scott Lake

SINGLE GOLFERS ARE ACCOMODATED ON A SPACE AVAILABLE BASIS. NO TEETIMES MAY BE BOOKED BY SINGLE PLAYERS.

Golf & Practice Center

FREQUENTLY ASKED QUESTIONS:

If I purchase an annual pass, when can I play golf? Every day with one exception. Your annual pass does not include playing in golf league(s). There is an additional fee add-on of \$250 per league. We have separated our annual pass play from league play. For those that don't play in a league, the dues structure provides an economical way to play a lot of golf. If you do play in a league the pricing is very fair as it reflects a discount off the value of league golf green fees.

What about the Friday Scrambles? Two things about the Friday Scramble; 1) There is a special rate for the Friday Scramble for our annual pass holders of \$30 versus \$43 for the general public. 2) We have open golf available through out the day. We take tee times two weeks in advance so a little advanced planning will help get you on the course on Friday.

What about outings? Two things about outings; 1) There is a special rate offered to our annual pass holders for many of the outings we host. In order to keep bookkeeping clean for the outing director, just pay the outing fee and we will rebate you the green fee portion of the outing fee. 2) We have open golf available on many outing days. We take tee times two weeks in advance so a little advanced planning will help get you on the course during most days.

What about the Scott Lake Tour events? Two things about the Scott lake Tour events; 1) There is a annual pass holders rate for the Scott Lake Tour events and a rate for the general public. 2) We have open golf available through out the day. We take tee times two weeks in advance so a little advanced planning will help get you on the course.

What about my kids? You can add a child of 17 and under to your annual pass for \$100.

What other events do you have? Pass holders have special rates available to them for our Friday 2-Person Scramble, all of the Scott Lake Tour Events. The Charity Challenge events and the Glow Golf Events.

What about maintaining a handicap? We have a system for maintaining handicaps. While not a USGA affiliated system, it does provide for accurate handicaps following proper posting protocol. This system has statistic tracking and other options.

What about "Where golf is fun!"? For decades now Scott Lake has been known as the place "Where golf is fun!". It starts with a fun golf course that can challenge and reward you every day. We have continued to improve the facility. We have built and maintain one of the best practice areas in Kent County and more improvements are coming. The "Scott Lake Six" our Par 3 course is currently under construction. The Friday Scramble is now starting its 47th year and what better way to start a weekend than with a round in the Friday Scramble. Play in any of the Scott Lake Tour events and you have a chance to win a prize and participate in some unusual events. We offer the ability to book tee times online so you can do it at your convenience. If you have a hole-in-one you win great prizes, what could be better than that?

Add \$250 for each golf league you are going to play in.

2019 Hole-in-One Club

The Scott Lake Golf & Practice Center membership for 2019 has a hole-in-one fee included and will provide for FOUR hole-in-ones. After the 4th hole-in-one the plan will be suspended for the year.

Every pass holder is automatically entered into the Scott Lake Hole-in-One Club (HIOC). The (HIOC) was created to provide some fun and excitement for all of our pass holders who experience the thrill of a lifetime by having a hole-in-one. Each time a pass holder of the HIOC has a qualified hole-in-one, the pass holder receives \$250 in a food and beverage credit (To buy their friends a pop!) and \$250 to the player in a golf merchandise credit. Each time a qualified hole in one is accomplished, these awards are dispersed. After the 4th hole-in-one has been dispersed, the Hole-in-one club will be suspended for the year. A qualified hole in one is one that is shot during a round of golf with witnesses in your group. The shot must be made from the normal teeing ground at Scott Lake and shot between April 15th and October 30th. A qualified member must be over the age of 18.
